SPRING FORUM

The future is here!

June 17th–18th, 2021
Hotel Metropol Palace
Belgrade, Serbia

PROGRAM

Dear Colleagues,

On behalf of the Association of Gynecologists and Obstetricians of Serbia, Montenegro and Republic of Srpska (UGOSCGRS) and Controversies in Obstetrics, Gynecology and Infertility (COGI) we would like to welcome you to Regional Spring Forum which will be held on 17th and 18th of June 2021, in Belgrade, Serbia.

The meeting will cover different aspects of our practice, presented by recognized experts and practitioners. From discussions on success rates and role of reproductive genetics to patient's safety in ART procedures. Recommended protocols are just a starting point in modern medicine, therefore we devote a significant part of the meeting to personalized approach in ART. A demanding issues regarding oncofertility are covered in a separate session. Therefore, we hope that the upcoming event will meet your expectations.

Due to a specific health situation worldwide, this year's meeting is organized in hybrid format. Live event will be organized in Belgrade, Serbia, but all participants are also invited to join us online through a Congress web platform.

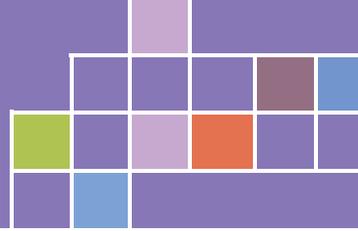

Welcome to Regional Spring Forum 2021.
