Dear Colleagues,

It is a great honor and pleasure to invite you to take part or be our guests at the already traditional gathering organized by UGOSCRS. Through all previous organizations we tried to get to know the most modern diagnostic and therapeutic protocols in gynecology and obstetrics. By engaging eminent experts from different countries, we wish to be best possibly informed as individuals conditions and diseases diagnose and treat in the world, and where we are in it.

In addition to professional sessions, we wish to get to know colleagues, exchange experiences and socialize. We will do our best to make your stay in our beautiful Banja Luka unforgettable and to wish always to come back.

Dear Colleagues, Dear friends,

It is my great pleasure to invite you to XIX International Congress of the Association of Gynecologists and Obstetricians of the Republic of Srpska and Association of Gynecologists and obstetricians of Serbia, Montenegro and Republic of Srpska. All previous years are colored with successful and cordial gatherings because the Association is the most alive when large number of members gather and when through any formal or informal contacts, new energy flows among people. Then are born new ideas, new acquaintances and new collaborations, which is great way to progress as profession. Congress will host representatives of important international professional associations, highlighted experts of our profession from abroad, the region and from Association members states. The program is composed of challenging and relevant topics from all areas of gynecology and obstetrics. That's why we invite you with pride and joy to gather at the Congress and enjoy the work and the hospitality that beautiful Banja Luka provides because Association of Gynecologists and Obstetricians of the Republic of Srpska rightly has a reputation of excellent host.
